

Reversible Reflex Foam® Mattress

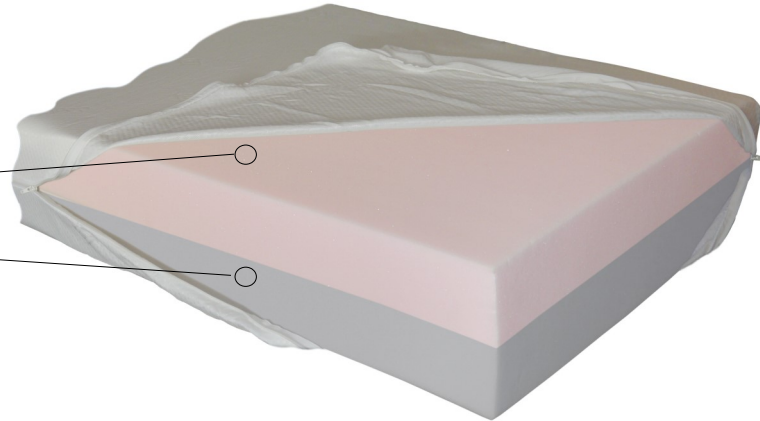

Reflex foam® was developed specifically for use by the bedding industry. Performing in a similar manner to sprung mattresses which do not perform very effectively in combination with an adjustable bed frame.

Shown below with luxury zip cover.

How it works.

- Reversible - **Medium** density foam one side - or - if you prefer firmer, or are over 18stone (115kg) simply flip the mattress over for the **Medium/Firm** layer.
- Although relatively inexpensive this is a very comfortable mattress.
- 4" (10cm) Medium **Reflex Foam®**
- 4" (10cm) Medium/Firm **Reflex Foam®**
- Long life expectancy. **Reflex Foam®** contains no 'melamine' which is used as a hardener in conventional foam causing deterioration over time .
- Flexes perfectly in combination with an adjustable bed.
- Firmer 'Transfer Edges' are available. (*Ask for details*)
- 5 Year Warranty
- Supplied with a standard cover with the option to upgrade to our hygienic luxury quilted zip off washable cover which gives an air gap reducing the likelihood of sweating. For an additional £50 (*See Accessories*)
